

20th January 2022

Dear parent or carer,

This week we have had a high number of covid cases amongst pupils and staff in the Academy

To allow us to cover the lessons of absent colleagues we are asking all students in Year 9 to work from home on Friday 21st January and return to face to face learning on Monday 24th January. Please accept our sincere apologies for any inconvenience caused but we have been left with no other choice.

All lessons for Y9 will be set on MSTeams. Your child should access their account at the time of their normal lesson and find the work that their teacher has set for them to work through independently

Please continue to encourage your child to use the home testing kits twice per week and inform us immediately if they have a positive test result.

Our website has lots of information about how parents can support with remote learning.

<https://www.sheffieldpark-academy.org/remote-learning-faqs-for-parents>

If you need additional support, please contact school in the usual way.

Yours sincerely

Mr R. Freeman
Principal
