## Start of the School Day

- A reminder that students need to be on site by 8.35am each school day.
  - This gives enough time for students to walk to the yards for the start of Line Up at 8.40am.
  - We are seeing a small number of students not make this time, which negatively affects their education.
- 

## Year 10 Mock Examinations begin Tuesday 16 June

- Year 10s need to attend school everyday in order to get the most out of these mock exams.
- After exams, students will receive feedback from teachers on their gaps.
- If a Year 10 misses a mock exam, they miss important help and feedback from teachers.

## SPA Yorkshire Day - 1 July 2026

### Wednesday 1 July 2026

We're celebrating Yorkshire Day with a non-uniform charity day, with everyone encouraged to get involved and support a great cause.

The theme for the day is **white and blue**, inspired by the Yorkshire flag—so come dressed in these colours and show your Yorkshire pride while helping raise funds for two important charities - *Western Park Cancer Charity and Sheffield Children's Hospital Charity.*

## Year 6 Transition

We are now entering our time of year where Year 6 students start to spend time with us at SPA.

- If you know a Year 6 coming to our school, please do everything you can to make them feel welcome before September starts
- Our older students need to ensure they are great role models for young students coming in
- If you do have a Year 6 child coming to us yourself, please remember to attend all the events we have sent letters about.

*We look forward to welcoming the future class of 2031!*

## Student Lanyards

Students are wearing these really well: it is great that younger students in particular are able to easily find others in their year group at social times

Staff are also able to remind more student names - such a nice thing in a very large school with 1,200 students. We want our students to feel they 'belong

## Homework

- You will shortly receive a letter from school about homework.
- We have found that an increase in students completing 80% of their homework has happened in recent weeks, which is great!
- Moving forward students will need to attend Homework Support Club if they do not reach 100% completion for their English, Maths, and Science homework.
- We ask that you support your child completing their homework to 100% on Sparx and Seneca moving forward.

## Sports Day

Sports Day this year will take place **Tuesday 14 July 2026**

You will receive a letter shortly about this!
