

Dear Parent/Carer,

Return to School: September 2020

As you will know, the government has announced the very good news that all schools will be re-opening in full from September.

We have now received the full government guidance about how this will work and we are currently finalising our plans for how we will deliver this at Sheffield Park Academy. At all times, the safety, health and well-being of pupils and staff will be of the greatest importance and we will be ensuring that everything needed is put in place over the summer.

Our intention is that the school will run as normally as possible within the guidance. There will be a number of restrictions that will impact on this and we will be writing to you before the end of term with specific details of how these will work. In that letter we will also confirm arrangements for the very beginning of term.

We look forward to welcoming back all our pupils when term begins. In the meantime, please do continue to ensure your child continues with their online learning or, if in Years 10 and 12, that they attend school when required until the end of term.

As you may be aware I am retiring at the end of the academic year. I have very much enjoyed my time working with Sheffield Park Academy pupils, staff and community and so would like to take this opportunity to thank you for your support over the past two years and wish Mr S Dixon the very best as he becomes Principal of Sheffield Park Academy in September.

With best wishes

Mrs. D. McShane
Headteacher
