Dear Parents/Carers,

**Read Write Inc.**

We hope you are keeping safe and well during these unprecedented times.

Your child is currently working on a Read Write Inc. programme within school. When in school your child attends 3 lessons a week of RWI. The programme is designed to help improve their literacy skills.

We would like the students to continue their hard work whilst at home to further improve their literacy skills.

There are now sessions available for your child to access online.

Ruth Miskin, the founder of Read Write Inc. now has specialised teachers streaming phonics, reading and spelling lessons every weekday on their dedicated YouTube channel. The following link can be copied into a web browser and will take you directly to these sessions:

The link is also accessible on the school website via the SEND section under cognition and learning needs within the learning resources. Upon accessing the website students need to select the Set 2 Lessons.

Lessons last approximately 15 minutes per session and commence at 9.30 every morning Monday to Friday, these will be available for 24 hours thereafter. It is recommended that students access 1 lesson every day.

If you require any further information, please do not hesitate to contact the Academy who will advise me to contact you.

Yours faithfully,

Rachel Haywood
