

Terms of Consent

1. In the case of under 16s, I have discussed testing with my child, and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so and consent can be withdrawn at any time ahead of the test.
2. I consent to my child having a nose and throat swab for lateral flow tests. My child will self-swab if they are able, and I understand there is assistance available if they are not. In the case of under 16s or pupils who are not able to provide informed consent, I have discussed the testing with my child and they are happy to participate and self-swab (with assistance if required).
3. I understand that there are multiple tests which are covered by this consent. If on the day of testing they do not wish to take part, then I understand they will not be made to do so and that consent can be withdrawn at any time ahead of the test.
4. I consent to my child's sample(s) being tested for the presence of COVID-19
5. I understand that if my child's result(s) are negative on the lateral flow test, I will not be contacted by the school / college except where they are a close contact of someone who has confirmed positive.
6. If the lateral flow test indicates the presence of COVID-19, I consent to my child having a nose and throat swab for confirmatory PCR testing. They will follow the instructions on the PCR kit to return the test the same day to an NHS Test and Trace laboratory.
7. If the lateral flow test indicates the presence of COVID-19, I commit to ensuring my child is removed from school premises as promptly as possible, bearing in mind they may have some anxiety following a positive test result.
8. I consent that they will need to self-isolate following a positive lateral flow test result, until the results of the confirmatory PCR have been received.
9. I agree that if my child's test results are confirmed to be positive from this PCR test, I will report this to the school / college and I understand that my child will be required to self-isolate following public health advice.
