

Creating a Story

To be able to complete this you will need to download the app called - Unfold - story templates.

Unfold — Story Templates

Stories Editor & Collage Maker

★★★★★ 21K

Dear Parent/Carer and Student,

Please find enclosed the next task for the unfold story maker. This week we are looking at making pancake faces!

A reminder of what you need to do:

1. Download the app. If you prefer, you can create your story board on paper.
2. Find a pancake recipe or buy a ready made mix.
3. Get the toppings you want to use.
4. Get creating! Take photos throughout if possible.
5. Create your story. Add photos to it if you can. Explain what you did, how it went, what it looked like, did it taste good? As much detail as possible.

Please save the stories to the app (you can also save them to your phone and as a pdf if you would like). We would love to see them when we are back in school and for you to show us what you have been up to!

If you can't access the app you can create your stories using pen and paper. Please save these to show us when we are back in school.

You don't have to make a pancake base. You could also buy the American pancakes and use those as your base.

If you have questions, please do not hesitate to contact the Academy. I will get a message and will call you as soon as I can.

Yours faithfully

Mrs Beresford
